HOW TO Download the 2021 Bingo Map

Intended Audience: public safety and emergency responders

Although we went live on the new CentralSquare CAD Suite in 2020, we've found benefits to maintaining the Bingo Map as it's a useful static map in the event of a CAD outage or need for hardcopy reference. The individual cell hyperlinks within the WC Map Index are functional.

Step 1: Click <https://warrencountytelecommunications.sharefile.com/d-s161222694bfe4c1dacaf809e86aea5da>

Step 2: If prompted, enter your email + name then click continue.

Step 3: Click Download.

Depending on your internet browser settings, it may automatically save to your Downloads folder or prompt you where to save. Once fully downloaded, move it to your preferred location.

Step 4: Open the destination folder to find a 2021 folder with 478 files

- (1) Street Index—a searchable PDF listing all streets in the map
- (1) WC Map Index—a map of Warren County with 476 cells
- (476) WC_A01 through WC_X21—the individual cells zoomed in
